Animals

Where do the animals live?

There are trees in the monkeys' cage because monkeys like climbing trees. The camels live next to the monkeys. The café is next to the camels. The zebras live in the biggest cage. They are next to the shop. The giraffes are also next to the shop.

The seals live in the square cage. There is

26 water in the cage because they like

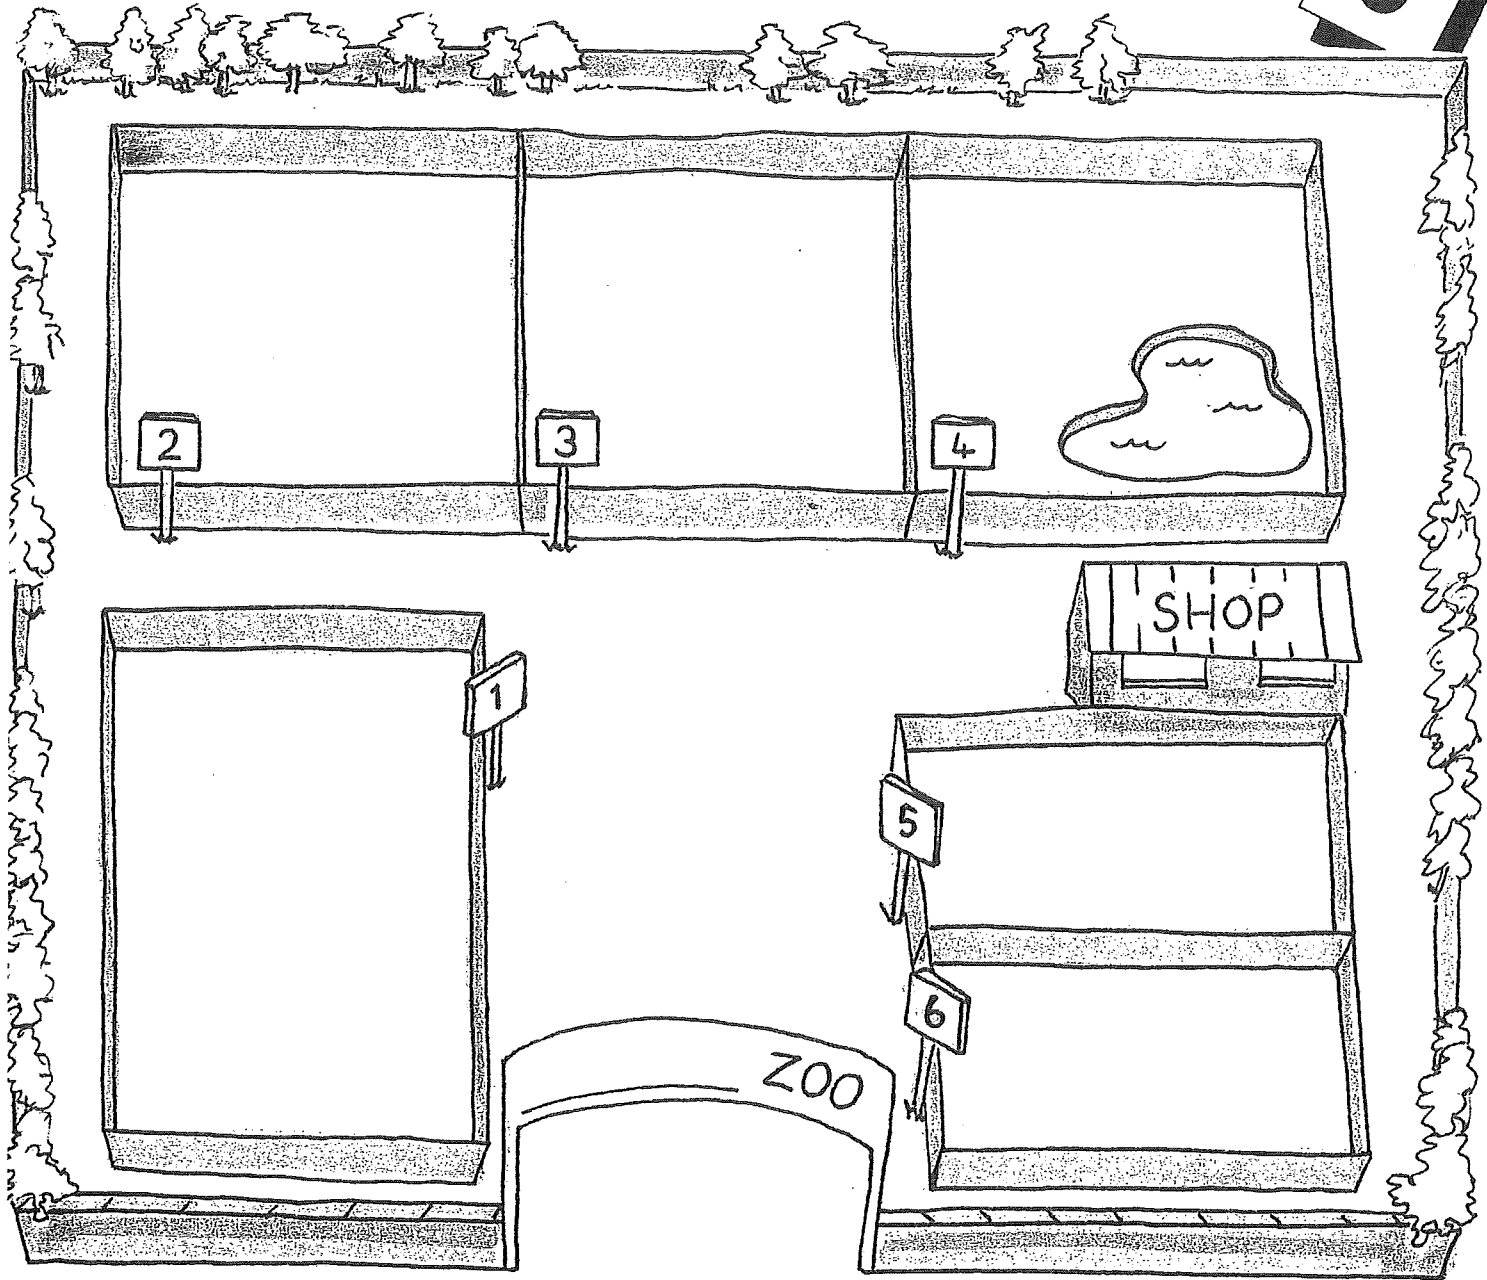

swimming. There is water in the penguins' cage and some fish for the penguins to eat.

The lions live next to the tigers. There is a man looking at the lions.

The snakes live in the long, thin cage next to the tigers.

Now draw the animals in their cages.

Make a Zoo. Put animals in the cages.

In my zoo there's a

The _____ is next to

Have you got a tiger in your zoo?

Which cage is it in?

What's next to the tiger?
