LÉTO - MYŠLENKOVÁ MAPA

A hand-drawn sun-like diagram. It features a central circle with the text "LÉTO - MYŠLENKOVÁ MAPA" written along its top inner edge. From the outer edge of this circle, 20 straight lines radiate outwards at various angles, resembling sunbeams. The lines are evenly spaced, with 10 on each side of the vertical center line. The diagram is designed to be used as a template for a mind map, where the central circle represents the main topic and the radiating lines represent related sub-topics.
