In their bedroom, the twins are laughing.

The horrible monster is only an empty pumpkin with two candles inside!

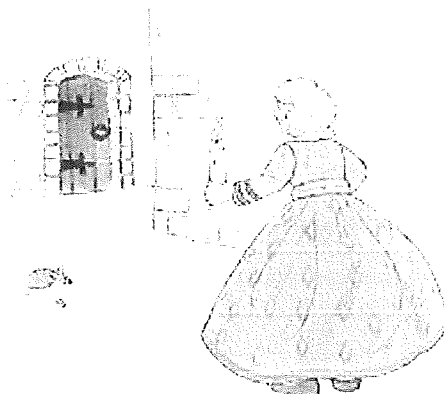

Virginia scolds the twins.

- You are very cruel to the poor ghost! – she says. - I think he is very unhappy.

One day Virginia decides to look for the ghost.

She goes to the top floor of the house and calls: - Mr Ghost, where are you? Can I speak to you?

- I am here. Please, come - says the ghost's voice. He is in a little dusty room at the end of the corridor.
